The first ever **AQuESTT for Nebraska... emPOWERED by Data** conference will be held April 27 - 28, 2015 at the Younes Conference Center in Kearney, Nebraska.

The new system for Nebraska is developing and the Accountability for a Quality Education System Today and Tomorrow (AQuESTT) process provides the framework for Nebraska Education.

The conference purpose is to provide district and Educational Service Unit (ESU) teams with an understanding of the emerging accountability system—AQuESTT, including the six tenets and related areas of focus along with the systems of support for Nebraska schools. Several pre-conference sessions will target specific audiences. A sampling includes a data collection NSSRS/CDC “boot camp,” Learning Forward professional learning, Career Education, and others.

Registration is now open. More details about the conference will be provided as they become available at <http://ndeconference.education.ne.gov>

Who should attend?

School districts and ESUs are encouraged to send teams to the conference to learn about key features of AQuESTT and about critical systems of support. Suggestions for team members include administrators, curriculum directors, special education directors, assessment coordinators, data stewards, school improvement team members, teacher leaders, and others involved in supporting the systems of education for every student, every day.

OR

2. Email: nde.helpdesk@nebraska.gov

OR

3. Call Toll Free: 888-285-0556

Please leave your full name, organization, call back number and a brief description of your question.

ALSO: If you have contacted your area's NDE Trainer or Program Staff person, please do not also contact the Helpdesk. Multiple contacts will delay the response.
